

## INVITATION TO SILHOUETTE SOFT ROUNDTABLE

Dear Doctor \_\_\_\_\_,

On behalf of Sinclair Pharma, we'd like to invite you to an exclusive round table for our product, SILHOUETTE SOFT, in Bern on 15 October 2019. We would be delighted if you could attend.

The aim of the event is to give you an understanding of the properties and benefits of our innovative aesthetic product SILHOUETTE SOFT, which is based on outstanding three-dimensional cone technology. You'll receive a comprehensive overview of SILHOUETTE SOFT and the indications it can be used to treat, as well as an explanation of the treatment procedure.

We have taken the conscious decision to limit this expert discussion to a small group of just ten invitees in order to facilitate an open exchange with our experts and also between participants. This should enable you to form an impartial, informed opinion of our product.

We've attached a detailed rundown of the programme for the round table, as well as a brief introduction to our international speaker and a registration form. As places are limited, we ask that you register as soon as possible.

We look forward to an engaging meeting with you.

Yours sincerely,

### PROGRAMME

#### 6:00pm – 8:00pm

- |  |                  |
